## Governing Council Chairperson's Report 2023

The Governing council at North Haven School collaborates closely with the school Principal Mr Joe Blefari, the leadership team, and the teaching staff to set and monitor the direction of the school and provides an opportunity for parents, caregivers, and the school community to be actively involved in these decisions. As a committee in 2023 we continued to meet twice a term, with sub committees holding meetings and reporting back to the Governing Council.

As we transitioned from the uncertainty of Covid times into 2023, North Haven School was able to provide the students opportunities to participate in school and extra curricula activities. For some students 2023 was their first opportunity to be involved in these activities. Student highlights of 2023 included Wakakirri, enterprise day, sports day, festival choir, SAPASASA sport, dolphin rangers and book week to name a few.

In 2023, our canteen continued to be successful and the usage of the QKR app increased and now truly exceeds cash sales. Our canteen manager Deena had her hours maintained, and the canteen continued to operate four days a week (Tuesday-Friday) with a small but highly dedicated team of volunteers.

The Fundraising committee continued to fundraise during 2023, our midyear disco and Halloween discos were both highly successful. Our Easter and Christmas raffles were also highly successful and popular. The fundraising committee continued to raise funds during 2023 to help fund resources, provide students with extra curricula activities, and provide play equipment for the nature play area.

I would like to express my thanks and appreciation towards the Governing Council Members, Principal Joe Blefari, Assistant Principal Stam Matheos, and all the staff at North Haven School for their dedication, and ongoing support.

I look forward to the opportunity of working with you all again in 2024.

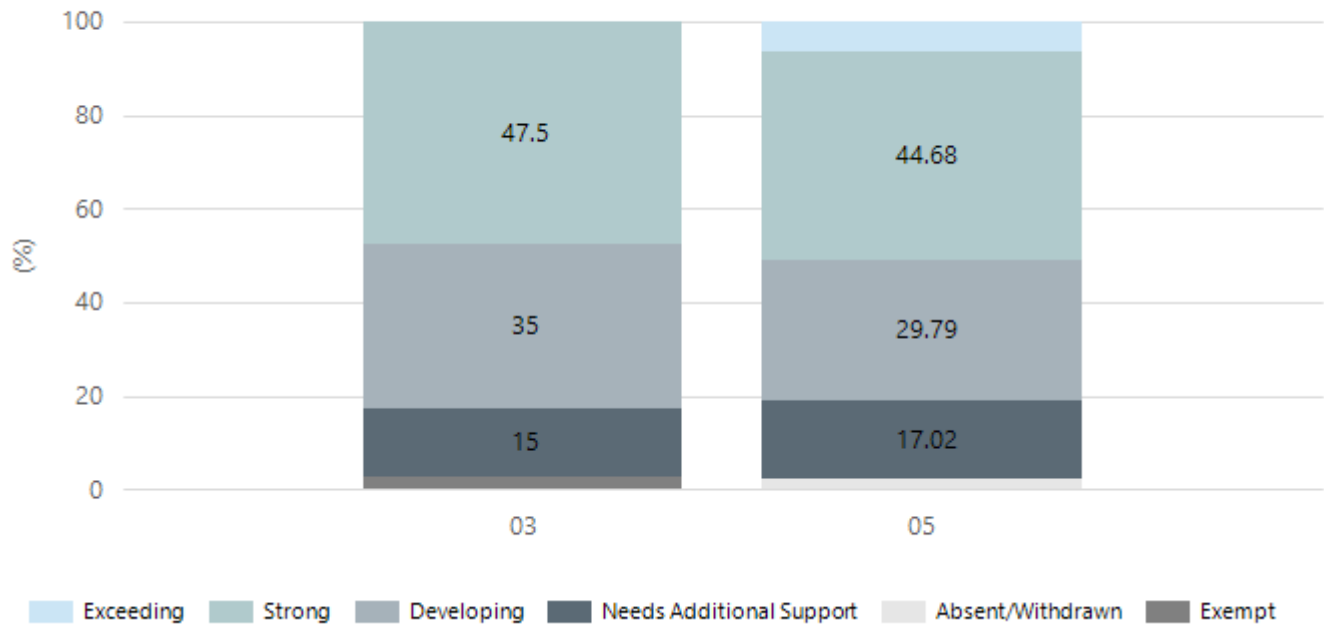

Sheridyn Johnson  
Governing Council Chairperson

## Attendance Comment

In South Australia, all children and young people must be in school from 6 years to 16 years old. They must attend a government or non-government school full time. From age 16 to 17 however, young people must attend school or an approved learning program (such as an apprenticeship, traineeship, accredited course or university). Schools and parents must encourage and support students to come to school every day. Parents and caregivers must make sure their child is enrolled in a school, and attends school all day and everyday it is open, unless a child is sick or has an approved exemption. Teachers and leaders actively follow up when a student misses school, including recording all absences and non-attendance. All schools in South Australia have local attendance procedures governed under the Education and Children's Services Regulations 2020.
